So what have we done lately?

Some of the things we have been involved in are:

- Worked to improve safety for kids walking to Kraft Elementary, resulting in the **new crosswalk** and traffic signs.
- Input to the City's **comprehensive plan**. A five-year blueprint for housing, schools, land use, transportation and recreation for the City of Hampton.
- Support for, and input to the plans by the City for the **Northampton Community Center** at Jefferson Davis Middle School.
- Reports from local police on **crime patterns** in our area and how to avoid becoming a victim.
- Got the city to modify its plan for the **Aberdeen Road Extension** to include **bicycle lanes** on each side.
- Developed a new **Neighborhood Park** at Kraft School (in cooperation with the Parks and Recreation Department).
- Input to the developers and the city on various development projects and use permits in the Northampton area.
- Major input to the steering committee for land use planning for the **Todds Lane** and **Big Bethel Road** corridors.
- Provided participants for a **Leaders Panel** for students in Hampton's Neighborhood College sessions.
- Hosting an **annual picnic** for volunteers who help maintain Kraft Park.
