

Who we are: Originally formed in 1953, then reactivated in 1987, the league's purpose is:

“...to provide a means of friendly association with the citizens of this community and to participate in such undertakings as may be deemed necessary for the improvement of the community.”

In other words, to meet with your friends and neighbors to make Northampton a better place to live.

What We Do: We meet on the first Tuesday of each month at the Northampton Community Center to discuss, organize, and take action on issues affecting our community including:

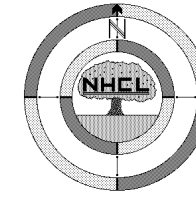

- New developments planned or pending.
- Road construction and modifications being planned by the city.
- Parks and recreational projects.
- Upcoming community activities.
- City government and its effects on our area.
- Problems and solutions for citizen concerns.
- School plans and events.

The leagues boundaries are:

- North & East - Interstate 64.
 - South & East - West Mercury Boulevard.
 - West - Hampton/Newport News city line.
- (See map on back)

This area encompasses about 6,000 residences and 18,000 people. Are they all members of the league? Not yet, but we're working on it.
