Opening:

The March meeting of the Northampton Civic League (NHCL) was officially called to order at 7:05 PM by league President Matt Asay.

The meeting opened with the pledge of Allegiance.

President Matt Asay announced that the meeting would be dedicated to the NHCL Second Forum of 2010, to Hampton City Council Candidates for the upcoming May election.

President Asay welcomed candidates for the upcoming City Council election and shared that he would also serve as the moderator for the evening. He provided time limits for speaking, answering questions, and shared that cards would be passed out to the audience to write down all questions and league members would collect all cards. This would ensure that there was no duplication of questions, etc., save time and questions would then be prepared to be presented by the moderator to all candidates to address.
